EXTRAORDINARY EXPERIENCE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a Universe beyond conception; in its hidden planes, holds the secret of our true existence. We function at several levels, and each has a different facet of our multiform being. There is the physical body, part of us accepts as the true evidence of our existence. Trapped within it exists non-physical elements that can be perceived by those who seek them. Current changes have brought great interest in what we loosely term the - paranormal - the evidence of something - other - for a world of phenomena that cannot be explained by science. Extraordinary experience is an unusual work, in that it presents the authenticated and personal experiences of one family. Their experiences are unified and interpreted by the extraordinary vision of aunt Jessica. She s a sensitive, prophetic, charismatic and most of all very wise. Whatever the theme, mystery, dreams, astral body, conscious self, predictions, poltergeists, the favourite child, our emotions, love, death and her teachings on crucial arguments like family relationships involving parenting, will remain indelibly impressed in your mind. It is also a testimony of an astonishing revelation, another unexplained mystery which science has failed to discover, why dreams accompany sleep.
