Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Glimpses of Bridgeport, Conn T a regular meeting of the Bridgeport Board of Trade held December 13, 1897, Zalmon Goodsell was authorized by a unanimous t vote of the members present to prepare the introductory article for this publication glimpses Of bridgeport. The Board of Trade of Bridgeport, by authority of which this book is issued, was organized in 1875 and incorporated in 187 The officers and members of the Board freely extend every courtesy to those seeking information with a view of removing their present industries or of establishing new plants. The primary cause of Bridgeport s steady growth in wealth and population is its excellent location on Long Island Sound, with four safe and roomy harbors affording natural and unexcelled advantages for large manufacturing concerns desiring ample waterways for transportation. Quick communication is secured through day and night steamers plying daily to and from New York and Long Island. Its railroad facilities surpass those of any other city in New England for convenience in shipping and receiving freight at the lowest through rates to and from all points in the country. In addition the city is an important port of entry. The tax rate is conservative, labor reliable, diligent and available for every line of trade, and all classes of labor are content to reside here. The homes of the working classes are attractive and price of rents are moderate, health statistics show a very low death rate because adequate sewerage and strict compliance with modern sanitary laws are enforced every kind of recreation is easily obtained. No unreasonable laws are: enforced to oppress the working man or barrass capital. There are societies and churches pertaining to every...
