# Mithridates (Paperback)

### By Jean Racine

Digireads.com, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The 17th century dramatist Jean Racine was considered, along with Moliere and Corneille, as one of the three great playwrights of his era. The quality of Racine s poetry has been described as possibly his most important contribution to French literature and his use of the alexandrine poetic line is one of the best examples of such use noted for its harmony, simplicity and elegance. While critics over the centuries have debated the worth of Jean Racine, at present, he is widely considered a literary genius of revolutionary proportions. In this volume of Racine s plays we find Mithridates, the eighth of twelve plays by the author. In this drama Racine draws upon the historical figure of Mithridates who is remembered as one of the Roman Republic s most formidable and successful enemies. Having reigned over the kingdom of Pontus, around the Black Sea, Mithridates was famous for having gradually immunized himself to poisons. Popular in its day being a favorite of King Louis XIV, the play has become increasingly rare on stage over the past centuries.

#### Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

## -- Annette Boyle

The publication is straightforward in study safer to recognize. It is writter in straightforward words and never hard to understand. Its been printed in an extremely straightforward way and it is just after i finished reading this book through which basically modified me, affect the way i think. -- Percy Bernhard
