Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Erica Turcotte)

THE AUTHENTIC ANIMAL: INSIDE THE ODD AND OBSESSIVE WORLD OF TAXIDERMY

Griffin Publishing. Paperback. Book Condition: new. BRAND NEW, The Authentic Animal: Inside the Odd and Obsessive World of Taxidermy, Dave Madden, Why would someone create or own the mounted skin of a dead animal? That's the question Dave Madden explores in "The Authentic Animal". He begins with the life story of Carl Akeley, father of modern taxidermy, who started by stuffing a canary and ended with creating the Akeley Hall of African Mammals at The American Museum of Natural History. To get a first-hand glimpse at this world, Madden travels to the World Taxidermy Championships, the garage workplaces of people who mount freeze-dried pets for bereaved owners and the classrooms of a taxidermy academy where students stretch deer pelts over foam bases. On his travels he looks at the forms taxidermy takes - hunting trophies, museum dioramas, roadside novelties, pet memorials - and considers what taxidermy has to tell us about human-animal relationships.
