Tyndale House Publishers, United States, 2016. Paperback. Condition: New. Language: Spanish . Brand New Book. En su libro #1 de los mas vendidos del New York Times, Agentes del Apocalipsis, el reconocido experto en profecia doctor David Jeremiah exploro el libro de Apocalipsis a trav s del lente de sus principales personajes. Ahora, en la secuela mas esperada, Agentes de Babilonia, Jeremiah examina la profecia por medio de los ojos de los personajes estelares en el libro de Daniel, explicando asi mismo lo que las profecias significan y nos ayuda a entender como estas visiones profeticas y suenos se pueden aplicar a nuestras vidas en la actualidad. Escrito con la misma intensidad de atraccion, mitad dramatizacion y mitad ensenanza biblica que el libro de Agentes del Apocalipsis, Agentes de Babilonia no unicamente es una exploracion profunda de los personajes y profecias que se encuentran en el libro de Daniel, sino un dramatico recuento de la Escritura, que sin duda alguna traera esta antigua profecia a la luz de todos nosotros como nunca antes vista. In his #1 New York Times bestseller Agents of the Apocalypse, noted prophecy expert Dr. David Jeremiah explored the book of Revelation through the lens of its major players. Now, in the much-anticipated follow-up, Agents of Babylon, Dr. Jeremiah examines prophecy through the eyes of the characters in the book of Daniel, explains what the prophecies mean, and helps us understand how these prophetic visions and dreams apply to our lives today. Written in the same highly engaging half dramatization, half Bible-teaching format as Agents of the Apocalypse, Agents of Babylon is not only an in-depth exploration of the characters and prophecies contained in the book of Daniel, but also a dramatic retelling of Scripture that is sure to bring ancient prophecy to light like never before.
