Riverhead Trade. Paperback. Condition: New. 336 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. A chilling and unflinching portrait of one of the most fearsome figures in world politics. In 1999, the Family surrounding Boris Yeltsin went looking for a successor to the ailing and increasingly unpopular president. Vladimir Putin, with very little governmental or administrative experience had been deputy mayor of St. Petersburg, and briefly, director of the secret police nevertheless seemed the perfect choice: a faceless creature whom Yeltsin and his cronies could mold in their own image. Russia and an infatuated West were determined to see in him the progressive leader of their dream. As Putin, with ruthless efficiency, dismantled the countrys media, wrested control and wealth from the business class, and destroyed the fragile mechanisms of democracy. Within a few brief years, virtually every obstacle to his unbridled control was removed and every opposing voice silenced, with political rivals and critics driven into exile or to the grave. Masha Gessen has experienced and reported this history firsthand, and brings it up to its present moment of unrest and uncertainty. Her spellbinding account of Putins rise and reign will stand as a classic of narrative nonfiction. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
