By Dorman Bridgman Eaton

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hawaiian Annexation And San Domingo Scheme The friends of the Hawaiian treaty frankly concede that it cannot command the requisite two thirds vote in the Senate, which means of course that the Executive scheme has met with defeat, tolessen the effect of which his said to be pro posed to go through the farce of talking upon the treaty behind closed doors until such time as resort shall be made to the unconstitutional legislative subterfuge of a joint resolution to force this Hawaiian job through by a majority vote in either branch of Congress This is doubtless humiliating, but de feat, even on that line, stares the advocates Of this measure in the face. There is no ground on which it can be made a party measure and the objections to the scheme are so numerous and well-grounded that an effort to coerce men would be exceedingly dangerous.
