Prompt questions are presented along with space where you can journaling your thoughts, questions, prayers or other considerations as you journey through this ancient story. Rogue is the study of Jael, a story in which one woman s courageous and decisive actions became the catalyst to ancient Israel s freedom. Like most of us, mastering a routine chore was probably of little interest to Jael. We all have those annoying little things that have to be done, and we do them because we have to; although, often we would rather not. Yet for Jael, her ability to successfully complete such a routine task became the defining moment of her life. We will observe her, walking in imaginary ancient sandals alongside her, witnessing subjugation, hardship and cruelties that fueled her passion to help free her burdened neighbors. Let us walk beside her in the depths of our thoughts and study the Rogue yet courageous actions of Jael.
