Homemade Laundry Detergent Recipes: How to Make and Use Safe Detergent Have you ever wondered why some people do laundry as if it were a leisure activity? Well, it is because their dirty clothes get spotless clean within no time; they spend minimal amount of money on detergents; and their washing machines remain efficient for a long, long time. The secret behind this success is the type of detergents you use. When you make your own detergents, you determine what goes into making it - and your ingredients will, obviously, be effective, safe and friendly to your nose. For most of the poor detergents found in stores and other outlets, they do not only eat into your hands when you use them, initiating a health problem right there, they also affect your High Efficiency washing machine in an adverse manner. In addition, using poor detergents means there will be no shine on your clothing; and yet you want to see the gloss on your laundry after investing your time in the washing. In this book, Making Your Own Detergent: How To Make And Use Detergent That Is Organic, Safe And Cost-Effective, you are going to learn how to use various recipes to make user-friendly laundry detergents that are also environmentally friendly and cost-effective. It will also be a pleasant surprise to find out that you can make high quality laundry detergent to serve the same purpose that is served by the detergent you buy at five times the cost. Among the recipes included are: Homemade liquid laundry detergent...
