## NEUROPSYCHOLOGICAL NEUROLOGY: THE NEUROCOGNITIVE IMPAIRMENTS OF NEUROLOGICAL DISORDERS

Cambridge University Press. Paperback Book Condition: new. BRAND NEW, Neuropsychological Neurology: The Neurocognitive Impairments of Neurological Disorders, A. J. Larner, Essential to the management of patients suffering from neurological disorders is an understanding of the cognitive aspects of these conditions. This book begins with an outline of the various cognitive domains and how they can be tested, before covering in depth the cognitive deficits seen not only in prototypical neurodegenerative cognitive disorders (Alzheimer's disease, frontotemporal dementias, Huntington's disease, prionoses), but...

### Reviews

*The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.*

-- **Jamarcus Runolfson**

*Undoubtedly, this is actually the greatest job by any author This can be for those who statte there was not a worthy of studying. I am delighted to inform you that this is actually the greatest publication i actually have read within my very own daily life and could be he greatest book for ever.*

-- **Perry Reinger**
