## NOTES UPON THUCYDIDES: ORIGINAL AND COMPILED

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the Preface. THE present publication was suggested by Mr. Dawson Turner s Notes on Herodotus, and is intended to supply those wants, the existence of which the very large sale of that useful volume seems to indicate. It is perhaps well to state thus much lest the reader should misunderstand the character of the work, and be induced to estimate it by a standard which it does not affect to reach. It does not, for instance, deal in conjectural emendation, it does not contain a digest of various readings, or anything like an apparatus criticus for Thucydides, and it leaves untouched, or only briefly notices many matters, which a perfect edition of an historical writer ought to discuss. What it attempts is something more humble, but at the same time, we trust, not altogether useless; for it endeavors to furnish University Students with that amount of information which their second examination may be regarded as likely to require. What this amount exactly is, under present circumstances, cannot very easily be estimated. The period usually devoted to the preparation for a University degree, when compared with the immensely increased requirements of the various examinations, will, to the student at any rate, appear but brief; and the arrangement of the relative claims of different authors upon his time, is perhaps one of the greatest difficulties with which he has to contend. If, for instance, he desires to raise himself to the standard of philosophical acquirement proposed by Mr. Pattison, \* and of historical knowledge by Mr. Froude, how is he to find leisure for that careful and critical study of the classical authors which Prof Conington...
