

## Mitz (Paperback)

By Brooks Kohler

Laptiast, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Mitz is a story about two people who find themselves living in a small, southern town, where life is as predictable as the days which are hot and muggy. When Alex, a bachelor in his fifties, enters into a relationship with the younger, attractive Mitzy, he finds himself at odds with what he used to be and what she wants him to be. Tired of life and trying to hide his associations from prying neighbors, Alex wants nothing more than to simply be left alone with his whiskey and jazz, but his reputation as a shady promoter from Denver has him constantly rethinking his friendships. Wanting to please and wanting peace, Alex is forced to make a decision that, like all his previous, will lead him into an uncertain future. Existential in tone with rye humor, Mitz is a story that will give the reader an intimate glimpse into the life of a man who has not only been enriched by his actions but also impoverished by the outcomes.
