Effective HR Communication : A Framework for Communicating HR Programmes with Impact

By Debra Corey

Kogan Page Mrz 2016, 2016. Taschenbuch. Condition: Neu. Neuware - Considerable time and energy go into the design of an HR program but, typically, not as much energy is devoted to the project's presentation to employees, stakeholders, and customers. Meeting the need for HR and internal communications professionals to master how to turn sometimes dry material into an interesting and engaging message for employees while also articulating the business/financial benefits to senior management, 'Effective HR Communication' proposes a 7-step model for planning, launching, and measuring the success of a communication campaign. Deborah Corey tackles new areas that are transforming communications campaigns including how to use and embrace technology as a medium for effective communication, how to understand the needs of target audiences in multi-generational and multi-cultural workplaces, and how to communicate in a global context. In addition, she presents case studies to practically spell what works and what does not work. 272 pp. Englisch.
