AN EVENSONG (PAPERBACK)

Resource Publications (CA), 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Like the religious service for which this romantic collection is named, An Evensong employs poetic forms within an ecclesiastical context as it endeavors to order and make meaning of our broken world. To assist with this mystical pursuit, the verses turn to the scriptures, mythology, history, and the arts to discern some truth from these transcendent traditions. Although the poems do not shy away from humanity's propensity for destruction, their inherently creative discipline leads them on a journey toward a creative God, one whom they might glimpse with hope and wonder. This is the poetry of a celebratory journey, leading us more and more into the...
