Or how complicated it is? Well, I know it s hard to be a teenager in this world. Let s not forget the hassles of adulthood. But you know who has got it harder than you or me? A vampire. Yes, you read that right! It s not just another average vampire you might encounter while shopping with your mom at Costco. This is a real life 100-year-old vampire we are talking about. I know what you are thinking! This 100-year-old vampire could possibly be the scariest and deadliest creature alive! Well, what can I say? Bukula is quite a softie! He is, of course, big and bulky and he s got those pretty fangs as well. But, he is probably the only vampire you might come across, who doesn t want to capitalize on his looks! I mean, he could scare the hell out of any arrogant teenager, if he wanted to! He could host Halloween parties every other week and be the coolest vampire ever. That is a lot of if s, isn t it? Well, he is quite a gentle-vampire! He knows his manners. He doesn t take pleasure in pulling pranks or scaring people. Oh, don t go about thinking that old age is slowing him down! Well, his older friends have got their A games still. It s not a pretty scene being the odd one, right? Living alone in the scary world of vampires and being different - well, how much more can he take on? Well, enough with my ramblings about Bukula! Why don t you read his diary and figure out for yourself?.
