In *Essence of Lilly*, high school junior Lilly Armstrong is always looking for ways to escape the confines of her unhappy home. She invents youth group activities just so she can hang out with her boyfriend, Jason—the only one in Lilly's life who makes her feel special. When Jason wants to take their relationship to the next level, will she give in to the pressure in hopes of keeping him by her side, or will she stick to the commitment she made to herself and to God, and risk being alone? *Essence of Lilly* is part of the *What Now?* collection where teens like you get to make the choices about hot topics like drinking, relationships, stealing, drugs, cheating, and purity. Written especially for girls like you facing difficult decisions and lots of peer pressure, the *What Now?* Collection allows you to step right into the life of the main character and choose your own ending.
