Lulu.com, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A dialogue-driven novella of raunchy, bawdy, irreverent humor. Besides being completely and utterly hysterical, it's a good way for women to get inside men's brains, as a lot of it is guys talking the way they do when women aren't around, or saying what they often have on their minds, but are too bashful, due to the politically correct status quo, to actually speak, although it is very hyperbolic as well. It is a quirky relationship/sex comedy, where the boundaries of the mundane are mocked, bent, ridiculed, pushed, pummeled, pulverized, pounded, picked on and provoked. It is a tad bit existential as well and does have its serious and sappy, yet genuine, moments. It also holds within it the most riotous courtroom trial you'll ever encounter! WARNING: Coarse language and very sexual subject matter. Reader discretion is advised.
