Balboa Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Many eons ago, two little bright lights called Mariah and Jo came from Father Creator s heart centre. They journeyed on down from the Great Central Sun, through the dimensions and galaxies and many star systems. They travelled through time and space, venturing on down to beautiful Mother Earth Gaia, to experience the wonders of life as she was then in her beautiful state in the third Golden Age. Jo and Mariah experienced life in the early times of Lemuria, when all was perfect and in harmony and so very beautiful. The wise old trees and flowers glowed with an aura of rainbow colours, and life was magical then. They danced and played with all the little animals and elementals, they swam with the dolphins, and their gifts were encouraged by the elders. All the while, their guardians and protectors, the magnificent beings of light and the Archangels were there with them. They returned again in the sad end times of the age of Lemuria, when many of her people had lost their innocence. They had become caught up in greed and control, and their bright lights had become dim. The kind and loving ones still in touch with their Creator knew what would happen, but in the end, they were unable to save their beautiful Land of Mu. Some went to other realms or to other lands and this beautiful Lemuria was no more. Many people who had stayed close to their Creator went to a place called Telos at Mt Shasta, where there were underground caves with locks and magnificent shining crystals.
