

## Borderlands (Paperback)

By Brian McGilloway

Pan MacMillan, United Kingdom, 2008. Paperback. Condition: New. Reprints. Language: English . Brand New Book. The corpse of local teenager Angela Cashell is found on the Tyrone- Donegal border, between the North and South of Ireland, in an area known as the borderlands. Garda Inspector Benedict Devlin heads the investigation: the only clues are a gold ring placed on the girl's finger and an old photograph, left where she died. Then another teenager is murdered, and things become further complicated when Devlin unearths a link between the recent killings and the disappearance of a prostitute twenty-five years earlier - a case in which he believes one of his own colleagues is implicated. As a thickening snow storm blurs the border between North and South, Devlin finds the distinction between right and wrong, vengeance and justice, and even police-officer and criminal becoming equally unclear. A dazzling and lyrical debut crime novel, *Borderlands* marks the beginning of a compelling new series featuring Inspector Benedict Devlin. Brian McGilloway's command of plot and assurance of language make it difficult to believe that *Borderlands* is his debut. - The Times A mystery of labyrinthine complexity - Sunday Telegraph.
