*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Excerpt from Letters of Theo; Brown Such a night as this, you have not in your Philadelphia, such a profusion of jewelry and democratic distribution of the same, alike on the mansion and the shanty, and the great full moon so lavish of its light over all, taking no more pains to gild the palace than the hovel; there is no sham in Dame Nature s democracy. There is some thing in this cold glitter of moonlight on ice, which takes right hold of me, and seems to suggest that this life I am leading is but a shabby apology for a real life; what means this old discontent, this dissatisfaction we feel with our every day lives; I come out of the store and look up at the stars, and my business seems to contribute, not the least fraction of nutriment for my soul.
