Reviews

It is one of my personal favorite pdf. Of course, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Nicholas Ratke)

SOULENE A HEALERS TALE

i30 Media Corporation. Paperback. Condition: New. 112 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. In feudal England, a 16-year-old girl is mastering the healing arts as an apprentice of Hospice de Coeur Rouge, known as the Red Heart Healers by the local peasantry. Her life is turned upside-down after discovering a handsome, gravely wounded knight in the forest. Who is this mysterious warrior? She uses herbs and the techniques passed down through the centuries to treat his wounds, but he warns her to flee immediately -- or risk death. She embarks upon an epic journey to the south, guided by friends and accompanied by her horse and hounds. She soon discovers a new danger -- and new clues about her own family history. *Soulene: A Healers Tale* is the first story by author Ursula Pearson. Using a backdrop of 12th-century English and French history, she weaves a fascinating tale about a young woman discovering her identity in troubled times. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
