Barrytown Limited, United States, 1999. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Starting out in the Beatnik hey-day, Stein s poems go beyond their moment in embodying a rich variety of poetic possibilities. Likewise the range of his interests -- from Judaism, Hermeticism, and Buddhism to mathematics and philosophy, make his poetry a quirky and musical synthesis, whimsical, enigmatic, contemplative, and human. I find him one of the smartest men of his generation and one of its most exemplary poets. -- Robert Kelly.
