Scholastic Inc., 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Kim Culbertson is back with another fantastic new novel about what happens when you ve been planning for the future, but everything falls apart now.Mara James has always been a perfectionist with a plan. But despite years of overachieving at her elite school, Mara didn t plan on having a total meltdown during her calculus exam. Like a rip-up-the-test-and-get-escorted-out kind of meltdown. And she definitely didn t plan on never wanting to show her face again. Mara knows she should go back,only she can t bring herself to do it. Because suddenly she doesn t know why she s been overachieving all these years. So Mara tells her mom she wants to go live with her estranged dad in Tahoe. Maybe in a place like Tahoe, where people go to get away from everyday life, and with a dad like Trick McHale, a ski bum avoiding real life, Mara can figure things out.Except Tahoe is nothing like she thought it would be. There are awesome new friends and a chance to finally get to know Trick, but there are also still massive amounts of schoolwork. Can Mara find a balance between the future and the now, or will she miss out on both?.
