Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Philippiian Gospel or Pauline Ideals: A Series of Practical Meditations Based Upon Paul s Letter to the Church at Philippi The short chapters which form the present volume are, of course, concerned chiefly with the religious teaching and moral influence of the epistle. They are written from the point of view generally accepted by New Testament scholars, that in it we possess a genuine letter of Paul, written from Rome about 60 A. D. This position naturally involves the belief that the document does contribute to our knowledge of a man and not simply a far-reaching movement, that it is a revelation of Paul s inward life, as well as a manifestation of Christian truth in and through him.
