THE PATH KEEPER: THE PATH KEEPER SERIES (PAPERBACK)

Accent Press Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Can love ever be stronger than fate? What if every coincidence was a tiny miracle? What if our life was already mapped out before birth? What if someone had the power to change the path we were destined to follow? Ella hates her new life in London. She misses Spain and she s struggling to get over her past until she meets Zac. He has always loved her but he isn t meant to be part of Ella s story. Not this time. Not ever. Little does she know that his secret is the one thing that will tear them apart and will force her to live in a world that no longer makes sense, a world more dangerous than she could ever imagine. WHAT EVERYONE IS SAYING ABOUT THE PATH KEEPER : The Path Keeper kept my attention with fast paced dialogue, intrigue, an expertly crafted story line along with a healthy dose of tall dark and handsome. I loved the fact that Ella is not a typical YA female lead. She is not a weak and confused teenager trying to `find herself . She is a strong independent young woman who knows what she wants and will fight (against all odds) to get it. The Glass House Girls I began reading and quickly found myself glued to this book in the same way I had been back in 2012 when I read George R R Martin s Game of Thrones. I love fantasy but this had so much more going for it.I loved Ella, adored Zac and know after reading The Path Keeper this is going to be a hugely successful series. Joanna Lambert, Author The Path Keeper kept me up till 3am...
