COUNT EDWEIRD LEFANGS RHYMIN HALLOWEEN

Xlibris Corporation. Paperback. Condition: New. 112 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. If you are looking for the definitive book on Halloween poetry while at the same time looking for examples of the various rhyming forms that exist in any time period, then this is the book for you. It has many of the characters of horror, many of the rhyming forms, and all made fun by the authors expertise on the subject of poetry, and his knowledge of the two makes for a wonderful read. Once you start reading Count Edweird Lefangs Rhymin Halloween you will not be able to put it down, and once you finish reading it you will want to read it over and over again. It is a rousing lyrical combination of Halloween and poetry, both in form and subject. Some poems are funny, some are creepy, and some are sad, but all of them share an intensity and earnestness that demonstrate the authors respect for the poem as a form of art used to convey story, emotion, and ideas. It is also a viable teaching tool as well, which allows the student of poetry to learn about the different rhyming forms in a manner more conducive to experimentation of the forms. Inside, the poems are printed in a Gothic font, which may inspire the reader to recite the poems aloud, as poems are meant to be read, and either shout them in mournful...
