EQUIP: BUILDING STUDENT LEADERS. MULTIPLYING DISCIPLES. (PAPERBACK)

Liberty University Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jesus is the greatest ministry leader of all time! Now, if Jesus chose to invest in twelve leaders to further His Father's Kingdom, shouldn't we take the time to invest in our student leaders as well? This book is designed to build student leaders and multiply disciples. It is an all-inclusive book that will provide the youth leader with the necessary resources to mentor student leaders. The team will be trained to learn biblical foundations, memorize Gospel verses, work through practical leadership lessons, be motivated by proven leaders, and complete team building exercises. When the curriculum is completed, students will be challenged to hold on to this information and use it as a tool to mentor others. The idea behind this book is simple: disciple students with resources they get to keep so that they can turn around and disciple others. I would definitely make Equip part of my basic tool kit in changing the lives of impressionable young men and young women. - Dr. Jay Strack, President and Founder of Student Leadership University.
