Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Before Independence, England was the destination for an Indian doctor who wanted to study medicine beyond MBBS degree. England was treating India as a part of United Kingdom. Most of the privileges that the citizens of England enjoyed were also conferred on the Indians. For a doctor graduated from an Indian university, it was easy to get a job as a houseman in a hospital in the United Kingdom. Dinker s medical degree belonged to the 21st century. Dinker got it approximately 5 decades after India became independent. Soon after Independence, medical education in India was reformed and redesigned to discourage Indian doctors from going for higher studies to England. By January 1950 when India became a Republic the dominion status of India was repealed and the government of the United Kingdom began to treat the Indian medical graduates as foreign medical graduates equal to those from any other country. Very few Indian medical graduates were admitted to England as immigrants and just a few more were admitted as students. Dinker never aspired to go to England for either a job or for further training. India treated every doctor who migrated to settle abroad as a great loss of highly skilled manpower to India. To show solidarity with the policy of Indian Government that permitting Indian doctors to settle abroad would be tantamount to encouraging brain drain, the US State department changed the rules and began to issue a special kind of visa known as the Exchange Visitor visa. Immigrant visas were not issued. By 1966, the United States began to admit Indian doctors as either immigrants or as trainee doctors. The story is an attempt to place...
