Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

CROSSING THE MIRROR LINE (PAPERBACK)

Carcenet Press Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Crossing the Mirror Line explores doubleness, the unsettling symmetries of mirrored reflections, the magician s disorientating art that `makes nothing appear . Artists mannequins and watchful children stand at an angle to the familiar-seeming world; an estuary blurs distinctions between land and sea. Like the eighteenth-century artists landscape mirror that reconfigured the relationship between the viewer and what is viewed, the poems in Judith Willson s first collection are concerned with the very act of looking, how it selects and transforms what is seen. Their landscapes are borders and boundaries, places shaped by the persistence of a past which still presses close to the surface, its meanings as unstable as the play of light. Objects disclose stories of their travel through `peopled time : poems `reach through thick folds into pockets / for a letter or a glove .
