Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.
(Thurman Schamberger)

NOVA CASA EDITORIAL, 2015. Condition: Nuevo. Quaranta-vuit dies i 7.566 quil.metres. Un viatge per descobrir els nostres antípodes. Amb Nova Zelanda, l'últim paradís? La Susanna i el Jordi et conviden a explorar el territori més jove del planeta, un paradís natural que durant segles només fou habitat per aus. L'estret de Cook no només separa geogràficament l'Illa Nord de l'Illa Sud, cadascuna d'elles és un viatge diferent. Des d'Auckland fins a Christchurch, el relat avança en una ruta road trip de nord a sud per paisatges únics en la qual descobreixen una natura imponent i experimenten en primera persona l'amabilitat i hospitalitat kiwi. Mitjançant animades entrevistes i converses, per exemple a casa de l'escriptor i exalpinista Philip Temple o compartint una vetllada amb una família catalanomaori, ens familiaritzen amb la història, la cultura, el passat i el present d'aquest país, encara força desconegut. En el viatge tenen un fort protagonisme la cultura i les llegendes maoris, així com la relació càlida i propera amb totes les persones que es van trobant. Nova Zelanda, l'últim paradís? Es un llibre per sentir-se més a prop d'aquest meravellós i exuberant país, per viatjar-hi i conèixer-lo llegint. I per a aquells que sentin l'impuls de sortir corrents i viure la seva pròpia experiència als antípodes, inclou un apartat de recomanacions i informacions pràctiques, no a mode de guia, per molt útils per començar a preparar i a gaudir del que serà un gran viatge.
