The Wizard of Kalar (Paperback)

By Sasha Garrydeb

ABC Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.On the distant planet of Kalar the two hundred year old life cycle of the Schanda once again menace the idyllic lives of the Bolani, a small tribal village of forest dwellers living in their hollowed Lando trees. The schanda have a two hundred year life-cycle and normally live up on the northern edges of the tundra of the planet of Kalar. They are an insect, something like a cross between a spider and a scorpion. The mating urge mutates the schanda into a massive swarm of ferocious carnivores. It doubles in size, grows the stinger and large claws in its fourth and final moult, then begins its long march from its home-ground in the North of Kalar, south to its mating grounds on the shores of the Golden Sea. In its path live the small peaceful Bolani tribe who make their homes in living Lando trees in the forest. Around the same time as the schanda begin their journey, the Bolani's collective unconscious, triggers nightmares. They dream of an unstoppable carnivorous procession intent on eating their way to their mating...

Reviews

Basically no phrases to clarify. It really is rally fascinating through reading time. Once you begin to read the book, it is extremely difficult to leave it before concluding.
