Are you struggling to turn your great idea into an even better novel? Learn how to craft a compelling story right from the start. Is your dream of writing a novel sitting in a desk drawer or in a forgotten folder of your computer? Have you spent countless hours on endless draft revisions without making much progress? Have you given up hope of writing a manuscript you can truly be proud of? Today s the day to take charge of your writing career. Let veteran book editor Diane O Connell show you how. Drawing on her years of experience working with novelists for a major publishing house, O Connell s guide is a must-read if you want to improve your storytelling. While most books on writing are written by authors, the awardwinning The Novel-Maker s Handbook is different. Experienced editors know that successful books aren t just about technique. You need to create a compelling story arc and pitch it in a way that gets noticed. O Connell s gem is the only book that provides first-time novelists with a proven system for...
