Christian Focus Publications Ltd, United Kingdom, 2013. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. For many women in difficult situations, fear takes a powerful hold. The reasons, whether real or imagined, abound: the possibility of illness or death; loss or rejection; crime, war or terror; failure or the uncertainty of the future. Some fears are healthy-gifts from God to protect us. Many fears, though, are pretenders-tools of the enemy to harm us. Fighting Fear with Faith helps readers to discern the difference, to remember God s promises and to appropriate God s great power. Stories of people from the Bible and from Christian history inspire courage and strength. With a complete Bible study guide included, Fighting Fear with Faith is ideal for individual or group study. Like a mighty elm tree that survives a stormy blast, a life connected to the strong root of Jesus can, too, withstand the storms.
