

Planet X Forecast and 2012 Survival Guide

By Marshall Masters

Your Own World Books. Paperback. Book Condition: New. This item is printed on demand. Paperback. 312 pages. Chance favors the prepared mind. -Louis Pasteur What is Planet X It could be a comet, rogue planet, or as this book maintains, a dying brown dwarf companion to Sol. In the years to come, its elliptical orbit will bring it into the core of our system, where it will enrage our Sun. Once that happens, Earths greatest pains will come; the moment fate puts us in the cross hairs of a perfect solar storm. The purpose of this book is to help those who now agree that time is of the essence. It does this by offering a practical 2012 tool kit of how-to survival knowledge, for those wholl be left to fend for themselves. Regardless of whether you can afford to build a bunker or can barely afford a shovel, the information in this book is designed to be equally useful. This is because the key to surviving 2012 is more about whats in your head than whats in your wallet. Reviews A tour de force Planet X - 2012 page turner.
