Just some of what nature can throw at us and make us need to bug-out of our homes. Fast. It is an unfortunate but true enough of an event that sometimes people have to abandon their homes for a short period of time before they are allowed to return. The most frequent reason for such an incident is a natural disaster like a tornado, a whirlwind, an earthquake or a flood. At least, these are the reasons of a non-permanent nature that allow the inhabitants of a house to return after the emergency has passed. If and when something like this befalls upon you, you should be prepared. Especially if you live in an area where such phenomena are likely to occur and there is historical evidence that they have. In Japan, for example, it is mandatory for the people to sleep with a whistle blower within arm s length to use to notify rescue personnel in case of an earthquake. For the same reason there is...
