Capability Brown and the Eighteenth-century English Landscape (Paperback)

By Roger Turner

The History Press Ltd, United Kingdom, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. WHO WAS `THE FAMOUS MR. BROWN`, and why are his parks still so important? Today he is credited with laying out every piece of parkland in Britain, while others accuse him of single-handedly sweeping away all the formal gardens that preceded the Landscape Movement. If he was indeed the greatest of all designers of man-made landscapes, how should we properly understand and appreciate his work and his legacy? In this comprehensive study of the man and his creations, the author follows an introduction to the culture and society of 18th-century England by tracing the rise of the Landscape Movement. He then provides a carefully researched account of Lancelot Brown's humble origins and rising fortunes, his marriage and family, the course of his career and mounting fame and recognition, culminating in his appointment as Master Gardener to George III. `We have reached the peak of perfection`, wrote Horace Walpole, `we have given the true model of gardening to the world; let other countries mimic or corrupt our taste. The idyllic landscapes which surround so many of the great country houses seem...
