Imported Chocolate. Paperback. Condition: New. 94 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Inspirational, sexy and funny, this literary travelogue series will take you on a Buenos Aires adventure that you'll never forget and also want to recommend to other travel lovers. Tameka Mullins, Author of 12 Hours of Daylight A Jason Jules Novella Part memoir and part travel guide, Hola, Morocha! captures the joys and frustrations of being a woman abroad with humor and grace. As a black woman in Argentina, Jennifer Poe was indeed a stranger in a strange land only 0.4 percent of its 41 million inhabitants identified as Afro-Argentine in 2010 so you know immediately that this is not your typical travelogue. Accompanying Jennifer on the ups and downs of her journey helped me remember everything I loved and hated about living abroad. Hola, Morocha! made me want to hop the next plane to Buenos Aires or at least go get an empanada. Kathy Pulkrabek co-host and producer XX Will Travel: A Podcast for Independent Women Travelers From her irreverent humor to her worries and insights, Poe has an uncanny ability to articulate her feelings through vivid actions instead of direct words. For intrepid travelers, this book is a gem and an invitation to walk down memory lane. The scenes she chose to highlight and share were so familiar to me as a veteran traveler, that I began reliving my own moments of fear, anxiety, and accomplishments while traveling. Yet, newbie travelers setting out on their first solo adventure will likely find solace and inspiration in Poe's journey. It's definitely one of those if she can do it, so can I types of books that having read it they'll be better for it. Davita M. McKelvey Editor-In-Chief, Griots Republic In a few short pages Hola, Morocha! manages...
