## CATHOLIC AND MORMON: A THEOLOGICAL CONVERSATION (HARDBACK)

Oxford University Press, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. What could Roman Catholicism and Mormonism possibly have to learn from each other? On the surface, they seem to diverge on nearly every point, from their liturgical forms to their understanding of history. With its ancient roots, Catholicism is a continuous tradition, committed to the conservation of the creeds, while Mormonism teaches that the landscape of Christian history is riddled with sin and apostasy and is in need of radical revision and spiritual healing. Moreover, successful proselyting efforts by Mormons in formerly Catholic strongholds have increased opportunities for misunderstanding, polemic, and prejudice. However, in this book a Mormon theologian and a Catholic theologian in conversation address some of the most significant issues that impact Christian identity, including such central doctrines as authority, grace, Jesus, Mary, and revelation, demonstrating that these traditions are much closer to each other than many assume. Both Catholicism and Mormonism have ambitiously universal views of the Christian faith, and readers will be surprised by how close Catholics and Mormons are on a number of topics and how these traditions, probed to their depths, shed light on each other in fascinating and unexpected ways. Catholic-Mormon Dialogue is an invitation to the reader to engage in a discussion that makes understanding the goal, and marks a beginning for a dialogue that will become increasingly important in the years to come.
