

Partners 4 Life: The Importance of Partners in Surviving an Organ Transplant (Paperback)

Filesize: 1.17 MB

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

(Imogene Bergstrom)

iUniverse, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Early in 2008, doing ordinary, mundane things like tying his shoes and walking up steps literally took author Jim Uhrig's breath away. He had trouble breathing, and it seemed as though he could never catch his breath. That was the beginning of a long journey for Uhrig, who shares his story in *Partners 4 Life*. In this memoir, he narrates the path his life took after being diagnosed with the incurable idiopathic pulmonary fibrosis and undergoing a subsequent lung transplant in April of 2009. Uhrig not only discusses his diagnosis and treatment, but also places special emphasis on the partners—from his personal life, his business, and his sports activities—who provided him with inspiration and help and played an integral role in his survival. He includes his partners in medicine, the donor and her family, caregivers, and special angels. Uhrig's story relates how he tackled his lung disease and transplant with the same fervor he lived life. *Partners 4 Life* communicates the saving grace of an organ transplant as well as the power of positive thinking.
