HarperCollins Publishers, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. From the internationally bestselling author of *The Bronze Horseman*, the tale of an Ivy League campus devastated by the intractable mystery at the heart of a student's death. Four students and their relationships lie at the core of this dazzling novel of mystery, murder and suspense, set in a snowbound Ivy League college. Their focal point is brilliant basketball star Kristina Kim - apparently happy and stable, but soon revealed to have hidden secrets. When she is found dead in the snow, it falls to local detective Spencer O Malley, a man who had half fallen in love with her, to investigate the crime. The spotlight falls on her three closest friends, and a story as gothic and intense as a modern-day *Wuthering Heights* begins to unravel.
