Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Representative American Poetry This series of books includes in complete editions those masterpieces of English Literature that are best adapted for the use of schools and colleges. The editors of the several volumes are chosen for their special qualifications in connection with the texts issued under their individual supervision, but familiarity with the practical needs of the classroom, no less than sound scholarship, characterizes the editing of every book in the series. In connection with each text, the editor has provided a critical and historical introduction, including a sketch of the life of the author and his relation to the thought of his time, critical opinions of the work in question chosen from the great body of English criticism, and, where possible, a portrait of the author. Ample explanatory notes of such passages in the text as call for special attention are supplied, but irrelevant annotation and explanations of the obvious are rigidly excluded.
