

Solos Flamencos: Play Solo Flamenco Guitar (Mixed media product)

Filesize: 2.44 MB

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

Mel Bay Publications, U.S., United States, 2002. Mixed media product. Book Condition: New. 295 x 216 mm. Language: English . Brand New Book. Designed as a comprehensive multimedia teaching set, this book, CD, and DVD present 42 solos, progressively graded in 6 levels from absolute beginners to more advanced, to suit players of all levels. It contains examples of eighteen different palos (rhythmic forms) of flamenco, with a wealth of melodic falsetas and rhythms. The music for all these is accurately written in notation and flamenco tab (cifra) in the book, and is also recorded on the companion CD. The DVD video contains over 57 minutes of solo music, and also includes introduction by Juan Martin and brief scenes of Andalusia today, which help to place this profoundly exciting and deeply felt music in the landscape of its origins. Juan Martin has succeeded here in showing how even music which is simple and very easy to start with can express the essential sound and emotion of flamenco, to build step by step the skills necessary for the performance of concert solos. Written in English and Spanish.
