

Mind Control: An Unconventional Approach to Manipulation of Human Behavior and Human Psychology with Persuasion (Paperback)

By William Lockhart

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Get What You Really Want by Controlling the Minds of Others! No matter how much we deny it, there s no escaping the fact that people are constantly trying to influence each other s thoughts. Do you ever wish that others would follow your suggestions? Do you wish you had the power of persuasion? Are you tired of being manipulated? Mind Control: An Unconventional Approach to the Manipulation of the Human Behavior and Human Psychology through Persuasion teaches you to control others minds, instead of your being under their control. You will discover the various types of thinking people use, and how to leverage them to your advantage. You ll also learn the ethics of mind control, and how it relates to persuasion (and NOT coercion). Also, you can study the various techniques that experts use to manipulate individual and group opinion. Find out the valuable techniques of behavioral conditioning, the hardwired model, Neuro-Linguistic Programming, and Environmental Control. Read Mind Control today to stop being a victim and become the leader you were always meant to be!.
