### **Reviews**

*It in one of my personal favorite book. Sure, it is engage in, continue to an amazing and interesting literature. I am quickly could possibly get a enjoyment of looking at a published book.*  
**(Wellington Rosenbaum)**

## MELTDOWN: ASPERGERS DISORDER, CHALLENGING BEHAVIOR, AND A FAMILYS JOURNEY TOWARD HOPE

Writers of the Round Table Press. Paperback. Condition: New. 142 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Based on dozens of intensive interviews with parents, clinical psychologists, teachers, and more, Meltdown is the fictional story of Benjamin, a boy diagnosed with Aspergers disorder and additional challenging behavior. From the time Benjamin is a toddler, his parents know he is different: he doesnt play with his sister, refuses to make eye contact, and doesnt seem to understand how to communicate with others. And his tantrums are not like normal tantrums; theyre meltdowns that will eventually make regular schooling and day-to-day life impossible. From first clues to diagnosis, navigating the special education system to securing expert help, Benjamins parents must become his greatest advocates. Together, they learn that the journey toward hope isnt simple but with the right tools and teammates, its possible. This book is part of the ORP Library of disability books. SPECIAL NOTE: Aspergers disorder is a complex syndrome that affects children in different ways. The child with Aspergers disorder depicted in the following story struggles with significant emotional and behavioral difficulties that require a therapeutic environment. The great majority of children with Aspergers disorder do not resemble the child shown in this story. But those who do face challenges that have made it difficult to benefit from education in the public school system. At Genesee Lake School, we strive to build relationships with the children in our care so that they learn new skills that will lead to a successful return to their home, school, and community. It is our hope that the following story will add to your own understanding of the often lonely journey experienced by families with children with these unique challenges and gifts. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
