Createspace, United States, 2014. Paperback. Condition: New. large type edition. Language: English . Brand New Book ***** Print on Demand *****.The uber-rich editor of Home decorating magazine loses everything, including her Ponzi-schemer husband, when their own luxury home mysteriously goes up in flames. But that s just the beginning of Doria s problems. . Homeless, destitute, presumed dead and branded a criminal the once proud Doria has a crash course in how the other half live. . Meanwhile reluctant sleuth Camilla Randall is facing homeless and destitution too, as Doria s husband s schemes unravel and take down innocent bystanders along the way. . When the mysterious Mr X. turns up at Camilla s bookstore expressing concern for the local homeless Camilla is smitten. By now one might think once smitten, twice shy, but for Camilla the search for love is a constant triumph of hope over experience. . As ever Anne. R. Allen weaves a unique blend of crazy characters [Mistress Nightshade, anybody?], crazy situations [would you believe a Colombian drugs cartel?] and laugh-out-loud one-liners that all somehow comes together and makes perfect sense at the end. . Oh, and did we mention the Wizard of Oz? . No Place Like Home is the fourth of the Camilla Randall Mysteries, but can be read as a stand-alone novel.
