

Outlines of Educational Doctrine (Classic Reprint)

By William Harold Payne

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Outlines of Educational Doctrin In 1579 I caused to be printed for my special use a Syllabus of a Course of Lectures on the Science and Art of Teaching. More recently I have felt the need of an outline in my more advanced course of instruction in this University; and I have accordingly revised, and, to a considerable extent, rewritten the Syllabus, and now present it to the public under a new title. My purpose has been to formulate, provisionally, a body of educational doctrine. Though I have bestowed no inconsiderable amount of time on these few pages, I am very far from thinking that my work merits any special consideration. The only thing that I can give myself any particular credit for is an honest endeavor to throw into form certain truths bearing on education that I have borrowed from all available sources - history, philosophy, and educational literature. My collections have not been made at random. For many years I have held a general theory of education that has been growing more and...
