But their leader Reece is struggling with the loss of his sight. Brandon is being stalked at his concerts by a man in the shadows. Danas career is threatening to bury her. And Marcus questions his sanity as he seems to be slipping in and out of alternate realities. And now the second part of the prophecy has come true. The Wolf is hunting them and has set his trap. He circles, feeding on his supernatural hate of all they stand for. And he wont stop until he brings utter destruction to their bodies . . . and their souls. . . this is a seriously heart-thumping and satisfying read that goes to the edge, jumps off, and builds wings on the way down.
