SANDS OF TIME: FATE OF THE TRUE VAMPIRES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. **2016 Finalist Next Generation Indie Book Awards*** Long ago, documents proving the existence of a secret life, were buried, forgotten. Until the 20th century when archaeologists discovered the first of them in ancient Egypt. As more documents were unearthed throughout the world, a connection between them was made. These are the preserved and translated scrolls of a woman who lived thousands of years ago, and for thousands of years. A woman on a quest to preserve her unique race. A woman who lives on the blood of humans. In this compelling and unique adventure, written as translated scripts found by archaeologists, Sands of Time sweeps the reader back to ancient Egypt where we read the scrolls of Kesi of Giza, the Nile s Graceful Queen, a hybrid blood drinker with an exciting and exceptional past. From the sands of ancient Egypt, to the arms of a Roman soldier. From hiding in 13th century London, to dying in post Jacobean Scotland and through Revolutionary France, this short page turner is packed full of adventure, betrayal, mayhem and mystery as the first of Kesi s epic search for a way to share her bloodline begins. This is a series that will delight vampire fans looking for a fresh take on an old genre. The historical aspect of the book will also thrill those looking for exploration into a past not told about in school books.
