THE DAWN OF THE ROAR: THE LION S VOICE (PAPERBACK)

Author Solutions Inc, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I was twenty-one years old when I wrote this book, and I decided to write this book because I felt like some people might feel like they were fighting life s battles alone. I wanted people to know that they?re not alone and that people are there for them. I wanted to fill people in on what they couldn t see around them, and I also wanted to let people know that their voice is important and that they define their own voice but no one else can speak for them in all honesty. In this book, I talked about how humans are only humans, so they shouldn t be ashamed to cry?man or woman. Crying doesn t make you weak; it means your human. It s actually worrisome if you don t cry.
