Reviews

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

B Jain Publishers Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Dreams & Their Homoeopathic Medicine, P. Sivaraman, This book is highly informative for the homoeopathic prescriber because for a homoeopath, dreams are one of the important guiding symptom of the case. They give us a far better insight into deeper nature of our patient than many of the so-called symptoms that crop up and float on our face to meet our superficial gaze. A special study of dreams with their remedy is essential for the selection of the right remedy. The initial part of the book contains individual drug-wise descriptions of their specific dreams and second part contains different kinds of dreams with all the medicines covering them.
